

## *Year 2012 Price Worksheet* *US Dollars*

These **prices are an average** that our clients might spend for a Catamaran Based on a 2012 launch date, if started in 2010. These prices are based on that future increase percentage of materials, labor, etc, that will no doubt increase during the build.  
Of course, elaborate electronics and decor may exceed this, it's all up to you, it's your dream.  
The second price shown is that higher average with additional amenities.

Clients choose a monthly spend rate they are comfortable with, this to cover the costs of construction as we build.

Billing is based on actual time and materials at cost and billed weekly.

Time to build a basic 60' is approximately 24 months, however options may exceed this estimate.

### Examples.....

<i>Approximate Size in feet</i>	<i>Basic Catamaran</i>	<i>Average clients spend on their fully equipped Catamarans</i>
60'	\$2,079,979	\$2,755,676
67'	\$3,019,500	\$3,436,400
70'	\$3,245,682	\$3,850,110
75'	\$4,015,000	\$4,537,500
80'	\$4,289,615	\$5,237,406
85'	\$5,380,777	\$6,708,510
90'	\$5,632,587	\$7,018,304
98'	\$8,038,569	\$10,674,717
105'	\$10,074,500	\$12,114,619
136'	\$17,396,787	\$25,067,812

# Just some of Amenities Included in an estimated base price Pedigree Catamaran

## Construction

Your choice of a reputable designer

### **Built to ABYC Standards**

USCG & EC (when needed)

Hull - Foam Core

Vinylester Resin / E-glass

Dupont's Imron® Urethane, exterior

Best Anti-Fouling Bottom coating

Fully insulated (foam cored, quiet)

Virtually Unsinkable (you can't sink that much foam core)

Separated compartments

Container Collision (bow designed to ride up and over)

Beaching, Kevlar reinforced bow and keel areas

## 12/24 DC Volt System

Batteries-House & Starting

Battery Charger

Isolators on each engine

Area Circuit Breaker Panels

## 220/110 AC System

50 Amp Shore Power System

Power Cord

Master Circuit Breaker Panels

Duplex Outlets

Gen. set

## Wiring

ABYC Standards,

Ancor, Tinned

Color Coded Numbered Wiring

Wiring Schematics

## Fresh Water System & Plumbing

SeaTech Quick Connect plumbing

Hot & cold Pressure Water

Heat Exchg/110vac Water Heater

Plumbing Schematics

Color coded plumbing

Dockside Hookup with pressure regulator

## Waste System

Porcelain Bowl Electric Raritan Toilets

Plumbing Schematics

Holding Tank w/Pump

Deck pump out

## Anchoring/Docking System

Electric Windlass

Danforth Type Anchor

CQR Type Anchor

Chain & Rode w/extra

Fenders & Bumper

Dock & Spring Lines

Stainless Steel Cleats

\* **NOTE:** Length of Cat determines size and quantities of some items. This is a partial list of standard Amenities on the basic cat.

## Main Salon

Your Floor Plan

Closets, Drawers, Storage

Wall & Floor Covering

Pleated Blinds

Your choice of wood

Stereo System

## Fuel System

Dual Fuel Tanks w/ baffles

Fuel Filters w/vacuum gauge (Racor)

Fuel Quantity Gauges

Fuel Fill overfill protection

## External

Winches

Deck Lighting

Horn & Bell

## Galley Your floor plan

Propane or Electric Stove/Oven

Lights, where you want them

Hardwood floors or carpet

Solid surface counter (your color)

Double Door Refrigerator

Double SS sink or?

Stainless hardware on cabinets

Locking draws & cupboards

Lots of 110 VAC outlets

## Master & Guest Stateroom

Queen Berths

Closets, Drawers, Storage

Wall & Floor Covering

Pleated Blinds

## Lighting throughout

Ceiling, Spot, Indirect

Valance, Reading

## Engines/Steering System

Twin Diesels (your choice of make)

Stainless shafts.

Instruments

Electronic Controls

Automatic Fire Extinguishers

Zinc protection

Anti vibration Mounts

Propellers (Full Feather on Sail)

Hydraulic Steering

Sea water Strainers

remote oil exchange

Automatic bilge pumps

## Helm

Depth Sounder

VHF Radio

Compass

## Plus a lot more
