Coastal Cruisers are beautiful homes on the water at 50'-65' and 18' to 28' wide.

It's your waterfront cabin you can take to the San Juan Islands or up the inside passage to Alaska.

It's a coastal cruiser which can run on lakes, in bays and inland waterways.

It's about half the price of a production motoryacht. It's your custom, luxurious *Coastal Cruiser* with many amenities offered as standard features!!!

The interior floor plan is also up to you and can be rearranged to accommodate your needs at no extra cost. On our site, you can click on cabinets under the Amenities and find a complete line offered.

Each *Coastal Cruiser* is built custom for each client.
